Summer 2025

Hello Northwest Flex Users,

Spillman (now Flex) customers in Washington have been meeting to share ideas, concerns, tricks and tips, training, and using their combined voice to help direct development of the software and draw attention to our unique needs since the early 1990's. We invite you to participate in the Spillman Northwest User Group (SNUG) if your agency is in Washington, Oregon, Idaho, Montana, or Alaska. Get on the email list! Come to our biannual (Spring and Fall) 2-day meetings and trainings! Receive the benefits of participating with your peers from across the region as many of us have already been doing!

Our user group officers as of 8/15/2025 are as follows:

President - Andy Malchert @ Grays Harbor 911
Vice-president - Nate Kunishige @ Lewis County
Secretary - Beverly Crawford @ Kootenai County SO
Treasurer - Jennifer Wheeler @ Longview PD
Event Coordinator - Jacoba Gage @ Skagit County SO

2025 SNUG Officer Elections

Spillman/Flex Northwest User Group (SNUG) board of directors officers are elected by the SNUG membership. Each board position shall have a regular term of office of 2 years, beginning on January 1st of the first year and ending on December 31st of the second year. The President, Secretary, and Treasurer are elected in even years, and the Vice President and Event Coordinator are elected in odd years.

The two positions that are up for election are Vice-president and Event Coordinator.

Voting will be conducted online using the following link:

https://docs.google.com/forms/d/e/1FAIpQLSeR43kZIsXm23_ajGGkFyg-L7bFNAHYbfZDzrCMdAbI9cD96A/viewform?usp=dialog

Each SNUG member agency gets one vote. If multiple votes for a single agency are submitted, the first vote submitted for that agency is the one that is counted. SNUG Secretary Beverly Crawford has temporarily been appointed Election Administrator.

The voting is open from 8/15/25 through 8/29/25, after which the Election Administrator will count the votes and distribute the results to the entire SNUG membership. Newly elected board members will take office on January 1st of the upcoming year (2026).

It also provides us a way to give you pre-printed name tags and lanyards. * We will always welcome walk-in (unregistered) attendees.**
- A draft agenda will be posted to the snugonline.net Web site soon so you will have it if you need it to ask for training and travel approval.
- We will also be providing a link to the book rooms at Northern Quest Resort and Casino with the rate negotiated by the user group.

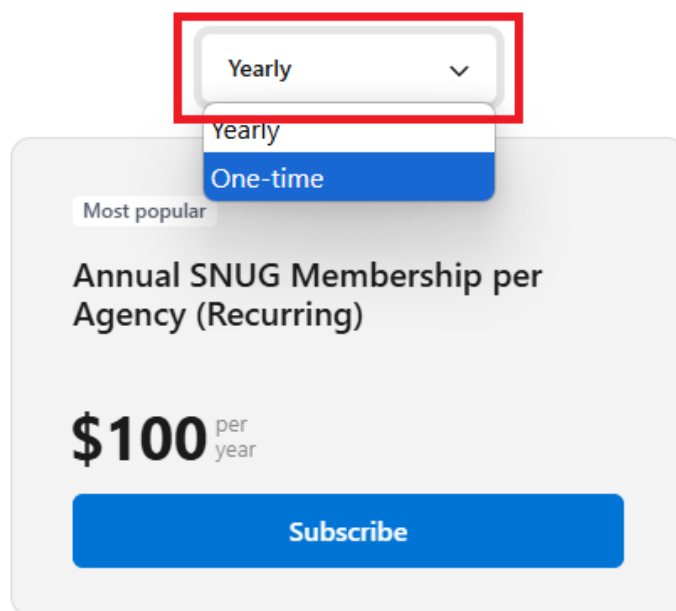

We are going to stream the conference using Zoom. We will share the link to the Zoom conference on the snugonline.net Web page as the conference approaches.

We are ALWAYS on the lookout for suggestions on topics and training for our SNUG conferences. If you have any please don't hesitate to email us at flexusersgroup@gmail.com.
